

PROPOSAL FOR SPENDING FUND-RAISING MONEY

Name: Deepa Saunda and April Stevens

Classroom/Grade: Kindergarten

1) Please provide a brief description of the project/program being proposed, including grades of students that will be involved.

We'd like to request some diverse dolls for kindergarten, please.

2) Please provide details on the problem that currently exists and how the proposed project/program will address it.

Our classes are lacking dolls that represent our world. Next year we will request dolls with differing abilities. This year, we would like to start by adding some dolls with diverse skin tones to kindergarten.

3) Please describe in detail how the solution being proposed will benefit all Humbercrest students equitably?

This proposal benefits two of our three kindergarten classes, one English and one French kindergarten class. The third class has access to YMCA materials which include diverse dolls.

4) Please provide examples of other schools/jurisdictions where this project/program has been implemented and its outcomes.

It is expected that every child sees themselves, their family and their world reflected in the classroom and school.

5) How is this project/program in line with the Humbercrest goals in Equity, Achievement and Wellbeing?

Seeing oneself represented in the school environment shows children that they, their families, backgrounds, and lived experiences are valued.

6) Please provide a schedule that includes details such as sourcing equipment, implementation in the classrooms etc.

Dolls are available from board suppliers and would be ordered as soon as funds are available, hopefully to benefit this year's students.

7) All Costs (GST, PST, Shipping and Handling, and Any Currency Conversion (US\$ to CDN\$)*

2 sets of 4 14" baby dolls @ \$119.99 each plus HST, available from Louise Kool & Galt.

Total Cost 239.98 + 31.20 HST + \$15 shipping = \$286.18

Thank you for your consideration.
